

Packaging Design Tips:

- Place the name of the product somewhere on the packaging "**Webcam Cover**".
- Include somewhere on packaging steps 1-4 installation:
 1. Remove adhesive tab from magnet
 2. Place magnet next to camera lens and press firmly
 3. Place swivel on magnet
 4. Swivel to open and close
- Package will need a place to blister the product as seen above. Blister will adhere to white paper better than ink saturated paper.

Please do not add crop marks or printer marks
