Protect your digital privacy with our state-of-the-art Faraday Bag!

These sleek, lightweight bags block all wireless signals (EMF, GPS, 5G, Bluetooth, Wi-Fi), ensuring your devices are safe from hackers, trackers and data thieves.

Faraday Bags offer security in an increasingly connected world and provides a health shield by blocking harmful radiation.

These bags can be customized in shape and size to accommodate the industries that rely upon privacy i.e. cybersecurity, journalism, government, finance, healthcare, military and law enforcement.

Ideal for smartphones, tablets, laptops and key fobs.

Available in Black, Gray, Blue & Red
