USB Data Blocker

PRODUCT STOCK COLORS

USB Data Blocker - USBDB

Prevent unwanted data transfers/access with this USB data blocker! Designed for laptops, phones, computers and tablets, this device goes between your charging cable and the USB charging port and will ensure that your data and access remains private and protected from any malware or from being hacked. Simply plug it into your USB port, then plug your charging cable into the blocker to only charge your phone. Complies with Prop 65.
