

GREEN
area is the
footprint of
the blister
and is highly
recommended
to be white for
blister adhesion

Blister footprint for Razor 1x1.5

Blister footprint for Mic Block 1.5 x 1.35

Razor Webcam Cover Installation

1. Remove adhesive strip.
2. Position base over the camera lens then press firmly.
3. Once installed, simply slide to open and close.

*If the base and rails become detached it simply snaps back into place

Mic Block Installation

1. Insert the Mic Block into your device's audio jack.

Please do not add crop marks or printer marks
all art needs to be at least 300 dpi
